To the Attention of: Technology / Industrial Arts / Technical Graphics Teachers

21st Century Graphics
This course is accredited with the NSW Institute of Teachers.

CREO 2.0 TRAINING
formerly Pro/Engineer /Schools Edition.
The world’s leading Product Development Solution

See [www.ptcschools.com](http://www.ptcschools.com)  [www.ptc.com/for/education/gallery/index.htm](http://www.ptc.com/for/education/gallery/index.htm)
And check out YouTube search for Creo2

You have to do 12 hours training, then you get a DVD with a licence for 100 students AND, the students can take the software home to use and practice. With no other administration fees
The software is FREE! There is a huge range of online resources. A DVD of video tutorials of all processes, lesson plans and work units is included. Take this opportunity to mix with your colleagues, share resources and ideas and develop strategies for implementation of Australian Curriculum in NSW.
